SUMMER TOUR 2022

JULY 5-9: FT. RANSOM, ND

JULY 11-16: WATFORD CITY, ND

JULY 28-30: MOORHEAD, MN

ABOUT THE TOUR

Since 1946, the Fargo Moorhead Community Theatre (FMCT) has provided a wide range of performance and educational opportunities to Fargo, Moorhead, West Fargo, and the surrounding communities. FMCT is the longest-running community arts organization in the Red River Valley Region. Season after season, our organization continues to evolve and grow in our community-minded mission as we position ourselves to create exceptional experiences for many years to come.

Launching in 2022, our Summer Tour program aims to mentor and lend our 75 years of expertise to help communities across our region build programs like FMCT within their own hometowns.

Our summer tour begins with a cast and crew of experienced FMCT artists working on the production in the F-M area. When the show is audience-ready, the cast & crew will hit the road and travel to your community where they will begin to work with the talented and adventurous people among you to produce a great night of entertaining theater!

Theatre education embraces many aspects of curriculum: English, History, Science, Social Studies, Math, Music, and more. Through stories, character development, problem-solving, peer collaboration and critical thinking, students explore these areas of curriculum in order to creatively exist within the world of a play.

Through programs like "On The Road", "Silver Follies", Saturday Education Class sessions as well as Summer Musical Productions and Camps, FMCT is proud to offer exceptional year-round educational programs featuring a variety of classes and performance opportunities for individuals of all ages and experience levels.

CLASS DESCRIPTIONS

Acting

Beloved children's books serve as the foundation for dramatic adventures. We will work together to create new characters, situations, and exciting opportunities for creative and heroic problem solving!

Musical Theatre

Students will tackle fun, challenging harmonies and choreography. Through discipline and artistic expression, students will push themselves both physically and vocally, and will develop their performance skills in a multidisciplinary environment.

Auditioning

Students will study the process of an auditioning actor to build a repertoire for future auditions. Students will have the opportunity to review and practice monologues, song choices, and dance combinations in this course.

Adult Acting

Actors will explore the core principles of acting, including voice and movement, theatre vocabulary, objectives, and obstacles, as well as the importance of risk-taking and ensemble building.

One-Act

Students will take their acting and storytelling skills to a new level by rehearsing and performing an in-studio performance of a one-act play.
