Beloved children's books serve as the foundation for dramatic adventures. Students will work together to create new characters, situations, and exciting opportunities for creative and heroic problem solving!

Musical Theatre K- 2nd grade * 3rd - 6th grade * 7th-10th grade

Students will tackle fun, challenging harmonies and choreography. Through discipline and artistic expression, students will develop their performance skills in a multidisciplinary environment.

Auditioning 4th - 8th grade * 6th - 12th grade

Study the process of auditioning to build a repertoire for future auditions. Students will practice monologues, song choices, and dance combinations in this course.

"Little Shop of Horrors"
Summer '22

One-Act 5th - 8th grade

Students will take their acting and storytelling skills to a new level by rehearsing and performing an in-studio one-act play.

Adult Acting ages 16+

Explore core principles of acting, voice, movement, objectives, obstacles, theatre vocabulary, and the importance of risk-taking and ensemble building.

Theatre education embraces many aspects of curriculum: English, History, Science, Social Studies, Math, Music, and more. Through stories, character development, problem-solving, peer collaboration and critical thinking, students explore these areas of curriculum in order to creatively exist within the world of a play.

The goal at FMCT Ed is to expand upon a student's frame of reference and teach them to make connections between the theatre they create and the world in which they live. Students learn to collaborate with peers, connect with people from differing backgrounds, and begin to see themselves as valued citizens on the world's stage where they develop important ideas about justice, history, personal choice and humanity.

Through programs like "On The Road", "Silver Follies", Saturday Education Class sessions as well as Summer Musical Productions and Camps, FMCT is proud to offer exceptional year-round educational programs featuring a variety of classes and performance opportunities for individuals of *all* ages and experience levels.
